What is Geocaching?

A modern outdoor treasure hunt using a personal Smartphone or GPS device to locate hidden containers called “geocaches”.

There are over 7 million geocachers worldwide and 3 million active geocaches!

What is the City of Richmond GeoTour?

Two series of hidden geocaches in parks, on trails, and at community facilities. Find all caches in each of the series to receive a prize:

- Complete the “Geo-Quest” Series of 30 caches for a **Geo-Quest** tag.
- Complete the “Canada 150” Series of 20 caches for a **Canada 150** coin.

* We recommend completing the “Geo-Quest” series first.

Get Going!

1. Learn about geocaching and sign up for a free geocaching account at www.geocaching.com.
2. Use a GPS device and the clues provided on www.richmond.ca/geocaching to search for the City of Richmond’s geocaches.
3. Record your finds online and in the geocache log books. Some geocaches will contain tradable objects. If you remove something from the cache, replace it with something of equal value.
4. Hide the geocache exactly where you found it and move on to the next one!
5. When complete, redeem your passport to claim a trackable City of Richmond travel tag. See back page for details. *Limited to one travel tag per geocaching.com username while quantities last.

How to claim your travel tag

Submit your passport to the Richmond Nature Park (open 9a.m.–5p.m. daily) or via [e]mail:

Richmond Nature Park

11851 Westminster Hwy, Richmond, BC.

Phone: 604-718-6188 Email: geocaching@richmond.ca

Respect the flora and fauna. Please tread lightly!
